

Degree Planner

Plan for Timely Degree Completion – Graduating in a timely manner is a top priority at SF State. Degree Planner is a new online tool allowing undergraduate students to map their entire academic path to graduation. If “Degree Planner” appears in your Student Center, your major is available and you are eligible to use the Planner!

For more information on Degree Planner including which majors are available and who is eligible, visit www.registrar.sfsu.edu/degreeplanner.

Degree Planner provides a number of helpful features to ensure you remain on track to graduate:

- “Advisor Message” communicates personalized information on a specific requirement.
- “Notes” convey important details about a specific requirement.
- “Info” displays the course description from the current catalog.
- “Remove” discards a requirement that is not needed for degree completion. Removed courses may always be restored to your plan.
- “Lock” sets a course to a specific term.
- “Select Course” allows you to choose a specific course for that requirement.
